* Jaipur Development Authority has decided to receive Earnest Money Deposit (EMD) (Bid Security), Tender Fee and RISL processing fee online through JDA Portal. The bid security options available in tender for participants are as mentioned below:

A. Payment Options:

Option-1: Bank Guarantee (BG) against EMD / Bid Security

Bidder may opt Bank Guarantee (BG) against EMD (Bid Security), for which bidder requires to prepare BG before applying in the tender. The details of BG requires to be fed on JDA portal before paying balance amount (Tender Fee + RISL Processing Fee). This amount will be paid through Payment Gateway only, option to make balance payment through EFT (RTGS/NEFT) will not be available.

If bidder does not opt for BG against EMD, options of making complete payment through Payment Gateway or through EFT (NEFT / RTGS) will be available.

Option-2: Electronic Fund Transfer (EFT: NEFT/RTGS)

If the bidder selects payment mode as EFT (NEFT/RTGS), "Paying Slip for EFT (NEFT/RTGS)" will be generated by the system for the complete amount. The payment can be made from any Bank any Branch using this Paying Slip through NEFT/RTGS (Claim against payment made through EFT in any other JDA bank account will not be acceptable and bidder stands disqualified from participation in the bid applied for). After successful transaction through NEFT/RTGS, as per the standard procedures it may take 4 to 24 hours in process of confirmation of EFT through Auto-Process depending on the time of EFT done. Therefore, option to make payment through EFT (NEFT/RTGS) will be available till 48 hours prior to closing date of bid participation.

Option-3: Payment Gateway (Aggregator)

The facility to make payment through Debit Card, Credit Card, Net banking etc., will be available. User can use this facility from anywhere any time till the closing date & time of bid participation.

B. Bid Participation Receipt

After confirming payment, the bidder will get Bid Participation Receipt on the basis of which user will get the payment details along with other details for bidding on e-Procurement portal of GOR.

- In case of BG as the remaining payment will be done through Payment Gateway, on successful transaction the "Bid Participation Receipt" will be generated on real time basis.
- In case complete payment is done through Payment Gateway, on successful transaction the "Bid Participation Receipt" will be generated on real time basis.
- In case complete payment is done through EFT (NEFT/RTGS), on confirmation of payment from ICICI Bank (Auto Process) "Bid Participation Receipt" will be available on Login of Bidder on JDA portal.

Note:

Bidder (authorised signatory) shall submit their offer on-line in Electronic formats both for technical and financial proposal.

In case, any of the bidders fails to pay the Tender Fee, BSD, and RISL Processing Fee, online (subject to confirmation), its Bid shall not be accepted.

To participate in online bidding process, Bidders must procure a Digital Signature Certificate (Type III) as per Information Technology Act-2000 using which they can digitally sign their electronic bids. Bidders can procure the same from any CCA approved certifying agency, i.e. TCS, Safecrypt, Ncode etc. Bidders who already have a valid Digital Signature Certificate (DSC) need not procure a new DSC. Also, bidders must register on <http://eproc.rajasthan.gov.in> (bidders already registered on <http://eproc.rajasthan.gov.in> before 30-09-2011 must register again).

JDA will not be responsible for delay in online submission due to any reason. For this, bidders are requested to upload the complete bid well advance in time so as to avoid 11th hour issues like slow speed; choking of web site due to heavy load or any other unforeseen problems.

Bidders are also advised to refer "Bidders Manual Kit" available at eProc website for further details about the e-Tendering process.

Training for the bidders on the usage of e-Tendering System (eProcurement) is also being arranged by DoIT&C, GoR on a regular basis. Bidders interested for training may contact e-Procurement Cell, DoIT&C for booking the training slot.

Contact No: 0141-4022688 (Help desk 10 am to 6 pm on all working days) e-mail: eproc@rajasthan.gov.in Address : e-Procurement Cell, JDA, Yojana Bhawan, Tilak Marg, C-Scheme, Jaipur

The procuring entity reserves the complete right to cancel the bid process and reject any or all of the Bids.

No contractual obligation whatsoever shall arise from the bidding document/ bidding process unless and until a formal contract is signed and executed between the procuring entity and the successful bidder.

Procurement entity disclaims any factual/ or other errors in the bidding document (the onus is purely on the individual bidders to verify such information) and the information provided therein are intended only to help the bidders to prepare a logical bid-proposal.

The provisions of RTPPA Act 2012 and Rules 2013 thereto shall be applicable for this procurement. Furthermore, in case of any inconsistency in any of the provisions of this bidding document with the RTPP Act 2012 and Rules thereto, the later shall prevail.

Section A-2

General Conditions of Contract

(Appendix XI of PWF & AR. Govt. of Rajasthan
effective up to date shall be applicable)

Section A-3

Special Conditions of Contract

SPECIAL CONDITIONS OF CONTRACT

1. The department shall hand over the complete scheme alongwith all ancillary units in working conditions to he contractor on award of contract. **The contractor shall be required to furnish a Bank guarantee amounting to 5% of contracted amount.** The Bank guarantee shall be valid for a period of six months beyond the period of contract for operation and maintenance for the safety and security of various components of scheme and appurtenance handed over. The department reserve the right to operate all Bank guarantee or part thereof to meet out any losses against handed over properties in case of damage/theft/mishandling etc. and if the same are not recouped by the contractor. The contractor shall hand over the entire scheme and appurtenances in working condition on completion of contract.
2. **Performance Guarantee : Performance Security shall be solicited from the successful bidder. The contractor shall be required to furnish a performance security amounting to 5% of work order amount. This amount shall have to be deposited by the contractor within 10 days after the award of the work. If the contractor doesn't start the work at time or fails to fulfill the conditions of the contract and the directions given by engineer in charge, this amount shall be forfeited. This performance guarantee will be released with the running bills as per the account rules.**
3. The Contractor shall deploy sufficient and trained/experienced staff for O&M of water supply scheme. The staff engaged for entire operation/maintenance etc. shall have to be in accordance with rules and regulations laid down by the ministry of Labour Welfare Govt. of India. The wages, incentive and other amenities, group insurance, compensation etc. shall be paid to workers as per rules and all expenditure on this account shall be the contractor's responsibility. The necessary registration under rules shall be mandatory. The compensation due to loss of live/retraining shall be borne by the contractor.
4. The contractor shall have to do both preventive and breakdown maintenance of scheme as mentioned in scope of work. The pipe lines shall have to be under constant surveillance round the clock and throughout the year (s). All valves and appurtenances shall have to be checked for its proper operation and leakages/burst shall have to be attended immediately. Each major breakdown shall have to be got repaired within 8 hours. Any delay in repairing is highly objectionable. The contractor shall possess all tools and plant required for maintenance work such as crane, Jeep for conveyance, diesel sets, welding sets, dewatering pumps, Pulley blocks etc. ready for use at any time. All material for repair and maintenance of pumping machinery, pipeline, electrical equipment shall be arranged by the contractor at his own cost.
5. Adequate safety precautions against accident during carrying out work of maintenance or due to any other reason whatsoever shall be strictly observed by the contractor at his own cost. A fully equipped necessary medical first-aid kit should be available at Site at all times. In absence of observance of denudate safety precautions, the contractor shall be responsible any unforeseen losses of the equipment or persons dealing it.
6. All material for repair and maintenance of pumping machinery, pipeline, electrical equipment shall be arranged by the contractor at his own cost. Power charges shall be borne by the JDA. However it shall be responsibility of the contractor to collect the bills from JVVNL 7 days before due date of payment by cheque and handing over to Engineer In Charge, also collecting the cheque from JDA and deposit in JVVNL within due date. **Any late payment, penalty will be on part of contractor.**
7. **PAYMENT TERMS :**
The due payment for the work allotted shall be payable as below:
The operation and maintenance cost quoted by the tenderer shall be payable on monthly basis on completion of one month period on presentation of the bill by the contractor along with document required as per clause 3.3 of Scope of work.
8. The complete work as defined in the tender document includes maintenance, operation, periodical overhauling of complete schemes and all associated units of water supply scheme including supply of material required. Any associated work which has not been mentioned here in the tender document but required for anticipated to be done by the tenderer, he should include cost of such work in his offer. The offered rate shall be deemed as inclusive of all such works and items.
9. In the event of any damage/loss of life and property during operation and maintenance of pipe line, the contractor shall be solely responsible and liable for compensation and damages.
10. In case of any break down of pump machinery or starters, the contractor shall immediately inform the **Junior Engineer / Assistant Engineer** concerned. In no case the information shall take more than 6 hours to reach the Engineer In Charge staff of JDA. However, simultaneously

- he shall make arrangements to install the stand by units to restore the supply. The contractor shall always keep the stand by units of all important items/installations viz. Pump motor, starter ICTP Switch etc. The contractor shall keep stores of all essential items at Site.
11. In case of power breakdown, the contractor shall lodge complaint in the concerned JVVNL Office/Station and get the problem solved. In case of major power problem, the contractor shall immediately inform the **Junior Engineer / Assistant Engineer** concerned for seeking help within 6 hours in any case. However, it would be responsibility of the contractor to get it rectified. In case it is unavoidable to restore supply, the contracting agency would arrange to get it properly announce to the public taking advance action for water storage/alternative arrangement.
 12. In the event of strike by the operation and maintenance staff employed by the contractor, the department shall be empowered to operate and maintain the water supply scheme at the sole risk and cost of the contractor.
 13. In case of unsatisfactory performance by the contractor in operation and maintenance, liquidated damage @ 0.25% of contract value per week of unsatisfactory performance, subject to maximum of 10% of contract value shall be levied as compensation. Regarding such compensation the decision of department shall be final and binding upon the contractor. The reduction in rates from subsequent bills shall be done on account of poor upkeep of scheme by the contractor as under :
 - i) A token penalty of Rs. 500/- per day would be levied on account of each day of poor up keep of the pump house or the campus plantation, lawn etc. Decision of Engineer In-charge shall be final in this regard.
 - ii) Penalty of Rs. 1000/- per day would be levied on a/c of non operational of tube well due to fault in facilities after allowing 24 hours for rectification.
 - iii) Penalty of Rs. 500/- per day per leakage in pipe line would be levied if the leakage is not rectified within 12 hours.
 - iv) In case of hand pump if it is not repaired within 8 hours token penalty of Rs. 500.00 shall be levied after the period of 24 hours from the time of receipt of complaint.
 14. If any leakage persists in spite of having been brought to the notice of the contractor and the contractor fails to repair the same or delays the repair due to negligence on his part the cost of water so wasted shall be recoverable from the contractor @ Rs. 8.00 per thousand litres. The quantity of water wasted shall be assessed by Engineer in charge.
 15. Complaint register shall be maintained by the contractor. Arrangements shall be made by the contractor to attended the complaints satisfactory within 8 hours of receipt of complaints.
 16. Log book shall be maintained hourly in prescribed format in respect of running of pump set in pump house, CWR and SR water level. Electric meter reading shall be recorded daily.
 17. Contractor shall make arrangements for sweeping and cleaning of the head works/ pumphouse/switch rooms, watering of plants and lawn/cutting of grass etc. including sprinkalling supplying manurs etc.
 18. Transportation of material from stores shall be arranged by the contractor.
 19. Material provided by the contractor shall be conforming to the latest relevant Indian standards or and as per PHED and certifications.
 20. The contractor shall provide all necessary facility. If required to undertake test for quality of material procured by Site at his own cost at the discretion of Engineer in charge.
 21. If during maintenance work, any dismantling of existing compound wall or structure is required for facility of the Site previous original shape after completion of the work at his own cost. In no case extra payment shall be allowed by the department on such work eighter for dismantling or repairing and reconstruction of old structures.
 22. The work will be carried out strictly as per direction of Engineer Incharge.
 23. The cost of assets like pump sets, panel board, valves, pipe line, joints etc. if damaged, replaced, lost or not used properly shall be recovered from the contractor.
 24. The rates quoted by the tenderer shall be firm for the contract period. No price escalation shall be admissible during contract period.
 25. Personnel :
 The contractor shall depute at least minimum specified staff around the clock to carry out the O&M Work efficiently and satisfactorily. (Contractor may choose to provide more staff if need be as per his assessment).
 All Contractor's personnel employed at the plant at any time during the period covered by the present Contract will be provided by him. JDA is not liable for personnel in any way and cannot be held responsible in the event of litigation of any sort between the Contractor and members of plant personnel or their representatives. Round the clock (24 hours) watch and ward shall be the responsibility of contractor throughout the period.

The Contractor shall undertake to comply with applicable legislation and the code of labour law on matters of health, hygiene and safety, and shall assume responsibility for works required in the event of any change in applicable regulations.

The contractor shall have to maintain one centralized office with minimum staff of 2 personnel around the clock and equipped with telephone.

26. It shall be the responsibility of the contractor to ensure that no water supply connections in the area outside the JDA scheme are taken in an unauthorized manner. In case any such unauthorized connection is found by the engineer in charge *then* the contractor shall be penalized @ Rs. 500/- per connection per month. ***If unauthorized connection could not be disconnect due to any public dispute or any reason then FIR shall be lodged by the Firm (If Required) against defaulter to maintain proper water supply in the schemes.***
27. **COMPLETION OF THE CONTRACT :**
On the date of Contract Completion or if the Contract is terminated, all the installations, works and equipment placed under the Contractor's responsibility shall be handed over to JDA or any agency, organization specified by it, at no cost, in good working order, except for normal wear and tear. JDA may perform any inspections tests or expert appraisals he shall consider necessary with a view to checking that the property is in good working order. If the works, equipment, plant and/or property is not found in working condition or acceptable condition, the contractor will replace / repair / rectify the same at his own cost to the satisfaction of JDA or third party inspector. The cost of the third party inspector will be borne by the O & M contractor. At the end of O&M period, the Contractor shall be entitled to receive an Operation and Maintenance Completion Certificate within twenty-one (21) days, of the completion of the Contract.
The delivery of such Completion Certificate will relieve the Contractor from his responsibility as regard to the Operation and Maintenance and confirm that the Contractor has fulfilled all of his obligations under the contract.
28. ***Time period of work can be increased as per RTPP Rules.***
29. ***Rates of lowest bidder (L-1) for total amount (i.e. sum of part 'A' + part 'B') should remain 'L-1' at the time of finalization of work. If due to any reason L-1 bidder not remain L-1 at the time of finalization of work then the difference amount shall be recovered from L-1 bidder.***
30. **Experience of Work:**
Contractor should have experience of such work for at least 2 years in continuity. The work performance certificate shall be issued by the officer not below the rank of Executive Engineer of Gol/GoR/PSU/Board.

Executive Engineer (PHE I)
JDA, Jaipur

Section A-4

JDA Jaipur

Section A-5

Annexure

Annexure A :

Compliance with the code of Integrity and No Conflict of Interest

Any person participating in a procurement process shall –

- (a) Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
- (b) Not misrepresent or omit the misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- (c) Not indulge in any collusion, Bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;
- (d) Not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
- (f) Not obstruct any investigation or audit of a procurement process;
- (g) Disclose conflict of interest, if any; and
- (h) Disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest :-

The Bidder participating in a bidding process must not have a Conflict of interest.

A conflict of interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

i. A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- a. Have controlling partners/shareholders in common ; or
- b. Receive or have received any direct or indirect subsidy from any of them; or
- c. Have the same legal representative for purposes of the Bid; or
- d. Have a relationship with each other; directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- e. The Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one Bid; or
- f. The Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the Bid; or
- g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/ consultant for the contract.

Annexure B :

Declaration by the Bidder regarding Qualifications

Declaration by the Bidder

Grievance Redressal during Procurement Process

The designation and address of the First Appellate Authority is Commissioner , JDA, Jaipur.

The designation and address of the Second Appellate Authority is Additional Chief Secretary, UDH, Raj Govt.

(1) Filing an appeal

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued there under, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omission, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Provided that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in procurement proceedings:

Provided further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of Financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

(2) The officer to whom an appeal is filed under para (1) shall deal with the appeal as expeditiously as possible and shall Endeavour to dispose it of within thirty days from the date of the appeal.

(3) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2), or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the First Appellate Authority, the Bidder or prospective bidder or the Procuring Entity, as the case may be, may file a second appeal to Second Appellate Authority specified in the Bidding Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be.

(4) Appeal not to lie in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

- (a) Determination of need of procurement;
- (b) Provisions limiting participation of Bidders in the Bid process;
- (c) The decision of whether or not to enter into negotiations;
- (d) Cancellation of a procurement process;
- (e) Applicability of the provisions of confidentiality.

(5) Form of Appeal

(a) An appeal under para (1) or (3) above shall be in the annexed form along with as many copies as there are respondents in the appeal.

(b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.

(c) Every appeal may be presented to First Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorized representative.

(6) Fee for filing appeal

(a) Fee for first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non-refundable.

(b) The fee shall be paid in the form of bank demand draft or banker's cheque of a Scheduled Bank in India payable in the name of Appellate Authority concerned.

(7) Procedure for disposal of appeal

(a) The First Appellate Authority or Second Appellate Authority, as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.

(b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall,-

(i) Hear all the parties to appeal present before him; and

(ii) Peruse or inspect documents, relevant records or copies thereof relating to the matter.

(c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.

(d) The order passed under sub-clause (c) above shall also be placed on the State Public Procurement Portal.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected ; and
- iii. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (i) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.

3. Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods)

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.

5.01	10.0 Sq.mm, 4 core	50	Mtr.	136.00	6800.00
5.02	25.0 Sq.mm, 3.5 core	10	Mtr.	166.40	1664.00
5.03	50.0 Sq.mm, 3.5 core	5	Mtr.	239.20	1196.00
6	Pipe Earthing as per IS:3043 with perforated 3.0 Mtr. Long, 40 mm dia. ' B ' class G.I. Pipe including all accessories like nut, bolts, reducer, nipple, wire meshed funnel, and C.C. finished chamber covered with hinged type with locking arrangement C.I. Cover, C.I. Frame of size 300mm x 300 mm and embodying the pipe complete with alternate layers salt and coke/ charcoal, testing of earth resistance as required.	2	Per Set	1320.00	2640.00

7	Labour charges for installation of submersible motor pump set including lowering/ delowering of pipes, cables, accessories etc. in tube-well/ open well complete including T&P, transportation of tripod, chain pulley block & any other material required for this purpose.				
7.01	Delowering and Lowering	4	Each	2844.00	11376.00
8	P/Laying ISI marked P.V.C. insulated submersible cable confirming to IS:694 with flexible copper conductor including making connection etc. as required.				
8.01	2.5 Sq.mm 3 core flat / Round	150	Mtr.	72.00	10800.00
8.02	4.0 Sq.mm 3 core flat / Round	150	Mtr.	102.40	15360.00
9	Supplying and installation of 32mm dia GI pipe 'B' class ISI marked including all accessories and fittings required for installation of hand pump. (Prakash Surya / TT Swastic/ Jindal)	90	Mtr.	156.00	14040.00
10	SITC of radial / mixed flow submersible motor pump sets ISI marked (IS:8034-1989) of approved make with required accessories including making connection suitable for T.W./ D.C.B./ Open well. The job includes lowering of riser pipe, G.I./ H.D.P.E. pipe with rope, cables, installation of complete fitting and accessories, jointing of electrical cables up to switch board. All labour for testing of submersible pumps set and supply of water to water mains, complete in all respect. 100 mm diameter Submersible pump shall have following HP Rating, phase, Head, minimum Discharge respectively.				
10.01	3.0 HP, 1-Ø, (33-90)Mtr, (166-60)LPM	1	Each	18280.00	18280.00
10.02	150 mm diameter Submersible pump shall have following HP Rating, phase, Head, minimum Discharge respectively.				
10.03	5.0 HP, 3-Ø, (33-99)Mtr, (234-84)LPM	2	Each	19320.00	38640.00
11	P&F 240/415 V AC MCB with positive isolation of breaking capacity not less than 10 KA (B/ C/ D tripping characteristic) ISI marked IS 8828(1996)]/ conforming to IEC 60898 in existing board/sheets including making connections, testing etc. as required.				
11.01	Triple pole & neutral MCB (6 A to 32 A rating)	6	Each	734.40	4406.40
12	SF of (0-500) V range Volt meter on existing panel , making connection by PVC insulated copper conductor with PVC sleeves / channel etc. as required.				
12.01	Analog type (96 mm x 96 mm)	4	Each	456.00	1824.00
13	SF of CT operated direct reading type Ampere meter on existing panel , making connection by PVC insulated copper conductor with PVC sleeves / channel etc. as required.				
13.01	Analog type (96 mm x 96 mm), Below 500 A	3	Each	300.00	900.00
14	S & F of Electrical insulating rubber matts confirming to IS: 15652 / 2006 with one side anti skid abberation marks and pasting the mat with synthetic rubber adhesive as required.				

14.01	3.3 KV, 2 mm thick with proof voltage 10 KV / 3 min. and Break Down Voltage 30 KV	8	Sqm	1440.00	11520.00
15	P&F G.I. Pipes (External Work) with G.I. fitting excluding union (IS : 1239 Mark) including trenching & refilling earth etc.				
15.01	B class 40mm dia	75	Mtr.	234.00	17550.00
15.02	B class 50mm dia	60	Mtr.	302.40	18144.00
15.03	B class 65mm dia	30	Mtr.	381.60	11448.00
15.04	B class 80mm dia	30	Mtr.	482.40	14472.00
16	Supply & fixing G.I. Union ISI marked in G.I. pipe line as required complete in all respect of size :				
16.01	B class 40mm dia	4	Each	356.40	1425.60
16.02	B class 65mm dia	4	Each	688.50	2754.00
16.03	B class 80mm dia	4	Each	801.90	3207.60
17	Providing, fabricating and installing MS specials including rolling, cutting, welding in different shape and size. (D-547 dt. 20.12.2011)	50	Kg	80.00	4000.00
18	Labour charges for inter connection of proposed pipe line with existing, pipe line by digging of Pit, cutting of pipe, dewatering through pumps and satisfactory testing of inter connection and site clearance.(D-547 dt. 20.12.2011)	6	Each	2512.00	15072.00
19	Labour charges for inter connection of proposed pipe line with existing, pipe line by digging of Pit, cutting of pipe, without bailing out of water and satisfactory testing of inter connection and site clearance.(D-547 dt. 20.12.2011)	3	Each	890.00	2670.00
	Total Part-B= Rs.				266138.60

Note : The Items mentioned above shall be required to be executed as and when
