

No. JDA/ EE& TA to DE-I/2022/D- 220

Date:- 13/10/2022

MINUTES OF PRE-BID MEETING

A PRE-BID Meeting was held on 10-10-2022 at 11.00 AM in “Manthan Hall”, Second floor, Main Building, Ram Kishor Vyas Bhawan, Indira Circle, Jawahar Lal Nehru Marg, JDA Campus, Jaipur for the work of “Providing, Fixing & Installation of Retro Reflective Signage's at Various Roads of Jaipur City, JDA, Jaipur”.

An open tender was floated on 30-09-2022 for the work of “Providing, Fixing & Installation of Retro Reflective Signage's at Various Roads of Jaipur City, JDA, Jaipur”. A scheduled pre-bid meeting was held on 10-10-2022 at 11.00 AM for the said work at Manthan Hall. The following members attended the Pre-Bid meeting: -

1. Director (Engg-I), JDA, Jaipur
2. Director (Finance), JDA, Jaipur
3. Addl. Chief Engineer-II, JDA, Jaipur
4. Supdt. Engineer-II, JDA, Jaipur

As the onset of the meeting a brief of the project i.e scope of work, eligibility criteria, etc was given by JDA officials.

In the Pre-Bid meeting following prospective bidders were present or submitted their queries through mail:-

1. Sh. Rashid Multani, Rajasthan Infra Engineering Pvt. Ltd
2. Sh. Arun Gupta, Western
3. Sh. Ashok Kumar Gupta, M.B.Engineering
4. Sh. Raj Kumar Goyal, Goyal Savitri Industries
5. Sh. Aditya Goyal, GSI
6. Sh. Bhavik Sheth, Avery Dennison (India) Pvt. Ltd

The prospective above bidder raised various queries and submitted few suggestions for modifications in the conditions of the tender document of the said work which were discussed in the Pre-Bid meeting.

After discussion and deliberation, the committee decided to make following amendments/clarifications in response to the queries raised by the bidders which are appended below for reference:-

S.No	Clause no/ Page no	Query/Suggestion	Response/clarification by pre-bid committee
I. Probable bidder No. 1			
1	Other Conditions: Point 12 & 13(Page 13)	Complete IRC 67: 2022 Clause : 6.7 must be mentioned.(As below) The retro reflective sheeting used on the signs shall consist of white or coloured sheeting having a smooth outer surface which has the property of retro reflection over its entire surface. It shall be weather resistant and exhibit colour fastness. It shall be new and unused and show no evidence of cracking, scaling, and pitting, blistering,edge lifting or curling and shall have negligible shrinkage or expansion. A certificate Sheeting manufacturers must submit at least 1 Lab report (International /Indian lab) Proving 3 Year Outdoor weathering performance of Type XI Retro reflective Sheeting. of having the sheeting tested for coefficient of retro reflection, daytime colour, colour fastness and luminance, shrinkage, flexibility, liner removal, adhesion, impact resistance, specular gloss and fungus resistance, nighttime colour, 3 years outdoor weathering and its having passed these tests shall be obtained from International /Government Laboratory / Institute by the manufacturer of the sheeting and in case the certificate is obtained from international agency, it should also be obtained from Indian agency within 3 years of launching of product by the manufacturer including actual outdoor weathering in Indian conditions. Alternatively, a certificate conforming to ASTM: D4956 specification on artificial accelerated weathering requirements from a reputed laboratory	Same as bid document except: The tests as mentioned in point no 12 and 13 shall be obtained from International/Government Laboratory/ Government Institute (i.e. NITs or IITs) or NABL accredited test laboratoryby the manufacturer of the sheeting. In case the certificate is obtained from international agency, it should also be obtained from Indian agency within 3 years of launching of product by the manufacturer including actual outdoor weathering in Indian conditions.Alternatively, a certificate conforming to ASTM: D4956 specification on artificial accelerated weathering requirements from a Government laboratory in India can be accepted provisionally

		<p>in India can be accepted provisionally</p> <p>Sheeting manufacturers must submit at least 1 Lab report (International /Indian lab) Proving 3 Year Outdoor weathering performance of Type XI Retro reflective Sheeting.</p>	
2	Other Conditions: Point 13 & 14(Page 14)	<p>These points should be edited as follows:</p> <p>If sheeting manufacturer is not having 3 year outdoor weathering report tested in Indian condition than a certificate conforming to ASTM: D4956-09 specification on artificial accelerated weathering requirements from a NABL laboratory in India can be accepted provisionally Only Successful bidder not having certificate of three years outdoor weathering of sheeting from the Indian Agency will submit additional BG. @2% of the Sheeting value -At the time of signing the contract.</p> <p>Additional BG of Rs 25 lakh is creating a monopolistic situation & This will demotivate larger participation of bidders. Sheeting counts for 15-20% of Total value of tender: so Department should ask additional BG for 2-3% of sheeting value & Only from successful bidder.</p> <p>(Attaching Similar LOI from Govt department)</p>	Same as bid document except the performance bank guarantee shall be submitted by the successful bidder before issuing work order and it may be of retro reflectivesheeting manufacturer/successful bidder.
3	BOQ Point 11	<p>As digital Printing is included as per Clause 6.8 in IRC 67: 2022:</p> <p>In the case of digitally printing, the signs shall be manufactured using a system of matched components of reflective sheeting and overlay films and digital inks manufactured and supplied by the reflective sheeting manufacturer. The digital printer and digital ink shall be approved by the</p>	The digital printing confirming to the requirements of clause 6.8 of IRC 67:2022 for graphics shall also be considered wherever required; as per direction of Engineer-in-charge.The same shall be covered under BoQ item no 11, which should be noted. Nothing shall be payable extra on account of digital printing.

		<p>reflective sheeting manufacturer. Digitally printed traffic colour (red, blue, green, yellow, orange and brown) areas on white sheeting shall not be having less than 70 percent of the value of the coefficient of retroreflection established for its colour and type of sheeting as given in Table 6.3 to 6.9 of IRC 67: 2022</p> <p>As this signage work is for Historic city of Jaipur: Adding graphics on signboards using digital printing will make this tender more meaningful.</p> <p>Printing partner should be authorized by the original Sheeting Manufacturer and warranties need to be provided by the Sheeting manufacturer.</p>	
Probable Bidder No. 2			
4	Special conditions of contract/ Potential assessment / criteria 2(b) (Page 28)	<p>In criteria 2 (b) of potential assessment of special conditions of contract it has been asked "The bidder should have successfully completed at least one similar work in last five financial year (including current year, if opted by the bidder) of value not less than 33.33 % of the estimated cost of the work (bid cost) updated to present price level"</p> <p>This condition shall be for work completed in last ten years of minimum 20% of the estimated procurement cost instead of 33.33 % in last five years.</p> <p>This relaxation has been given in NHAI, NH, PWD too because in last 7-8 years the tenders for this similar nature work costing such a big amount have not been invited in Rajasthan or other states which may result in lack of competition.</p>	<p>Seven financial years instead of five years is agreed. Rest is same as bid document.</p> <p>The weightage to previous years value for additional two years are:</p> <ul style="list-style-type: none">• For five years before (2016-17) = 1.61• For six years before (2015-16) = 1.77
5	General	Joint venture should be allowed for tender of this work.	Not accepted.

			case the highest class is 'A' in any department the bidder can participate but the certificate mentioning the class and capacity to participate in the tender issued by competent authority must be attached. Rest is as per item no 7 & 8.
12	General	For Retro sheet, to give quality assurance of work, bidder must provide same OEM purchase of 33% in last 12 months, this will give JDA assurance that bidder OEM retro sheet will be use in your work.	Same as bid document.
13	Special conditions of contract/ Potential assessment / criteria 2(a) (Page 27-28)	In many road furniture/safety work order, like sqm sign board and questionary sign board mentioned, so on what basis, you will consider the Retro sheet 33.33 % calculation in single order? Single order 33.33 % or 3 work completion more than 50 lacs each should be consider.	The certificate clearly showing quantity of each item as per clause 2(a) executed against the work order that too financial year wise must be attached.
14	General	After work completion, OEM lab test report/OEM authorised third party test lab report should be consider	Same as bid document.
15	Other Conditions: Point 11 (Page 13)	Retro and ACP sheet, warranty should be 10 years/ as given by OEM should be consider	Same as bid document.
Probable Bidder No. 4			
17	General	All type of fabrication items are in the list of RTPP rules and these are reserved for MSME units of Rajasthan. it is clearly stated that these items should strictly be purchased from the MSME unit of Rajasthan. During discussion in meeting it was told to us that it is not only procurement but it includes fixing also, in RTPP act, 2012 page number 6 it is clearly mentioned that procurement plus fixing are coverd in this act for MSME units, in such cases the cost of fixing material (cement concrete) should not exceed the cost of sign boards . In this case	Not agreed.
